

Mat is a electronic music producer evolving accross few projects and monikers, D-sens, Passion Victim, Lunaspice.

D-sens is his actual main project, spreading on stage a wide spectrum of deepoid technoid progoid hou-Zee, hypnotic beats blended with hipps of love smiles and a bit of twisted tricks.

D-sens production are featured on labels like Arva from Armin Van Buuren's compilation, Phunk Investigation's Miniatures records [it], Pena's Flow rec [pt], Baroque rec [en], Open records [australia], Sweep 181, Beef rec [chezch], on his own Bus records, Pure perception [usa], VP rec [israel], Stargate rec [japan], Rococo rec [germany]...

His productions and unique dj style offered him to play over four continents from the dusty desert of Burning Man to Rainbow serpent via the massive Ageha club or the lush surroundings of Queensland in countries like USA, Australia, Japan, NZ, India, Asia, north Africa and over europe in clubs and festivals along side headliner like Alex Smoke, Cari Lekebush, DubFire, Josh Wink, D-nox & Beckers, Secret Cinema, Thomas Schumacher, Thomas Penton, Kazey Taylor, Acid Pauli, Guy J, Oliver Koletzki, Luke Chabel, Solead, Antix, Fiord, Minilogue, Atmos, Peter Gun...

Comanager of sub machine records with dj Natas for a time he is now managing his own label BUS records, created to release electronic dance music without any style boundaries, reaching top ten number three on beatport with Cubic loop EP remixed by D-nox & Beckers. www.bus-records.com
